

A GREAT CHANGE ENTERS INTO LIFE OF STOREKEEPER

A certain unassuming gentleman in this city who happens to be a prominent merchant and who up to a few weeks ago had become a recluse because of his physical condition tells this remarkable and most interesting tale:

"For a number of years," he said, "I have been so closely confined to my business working zealously to make my store representative in every respect that wear and tear finally got me, my face became drawn and haggard and my disposition seemed to urge people to evade me. It was then that I began to despise my own company."

My bookkeeper one day suggested that I needed a rest and that my nerves required attention. She told me that her father had taken Phosphated Iron when in his condition. "Look at him now," she said. "He works ten hours a day and is the happiest man in the world."

"All this happened less than a month ago. I followed the advice and took at once. Back in the harness with a smile all the while. I am feeling more fit than ever. When I see a tired looking face the name of Phosphated Iron immediately comes in my mind. I am convinced that it is converting many a worn out body into a life rich in thought, ambition and enthusiasm."

Special Notice: To insure doctors and their patients getting the Genuine Phosphated Iron we have put in capsules only, so do not allow dealers to sell you pills or tablets.

E. A. Paulman, a Guilford farmer, found in a hen's nest at his farm one day the past week the smallest egg laid by a hen that he ever saw. He brought it to Brattleboro and at a drug store it was found to weigh one-twenty-fourth of an ounce. It would take 288 of them to weigh a pound, troy weight. It was a little over three-quarters of an inch long, had a hard shell and was laid by a Rhode Island Red hen.

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, whooping cough, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2½ ounces of Pinex into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—a family supply—of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

Women Find Clear Skin In Simple Laxative

A sense of false modesty often prevents women from admitting that many of their ills and disorders are due primarily to constipation.

But women who know themselves have learned that headache remedies and beautifiers only cover the trouble but do not dislodge it.

What is needed is a remedy to move the bowels and stir up the torpid liver. An ever-increasing number of sensible women take a small dose of a combination of simple laxative herbs with pepsin known as Dr. Caldwell's Syrup Pepsin and sold by druggists under that name.

It will save a woman from the habitual use of headache remedies, skin lotions and similar makeshifts. Once the bowels are emptied and regulated, the headache and the pimples and blotches disappear. It is the rational, natural method.

A bottle of Syrup Pepsin lasts a family a long time, and all will find use for it from time to time. Thoughtful people are never without it in the house.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the war, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 26 years. Two sizes—50c and \$1.00.

Your Liver Is the Best Beauty Doctor

A dull, yellow, lifeless skin, or pimples and eruptions, are twin brothers to constipation. Bile, nature's own laxative, is getting into your blood instead of passing out of your system as it should. This is the treatment, in successful use for 50 years—one pill daily (more only when necessary).
